

Protect+ Power5 for iPad Air 10.9-inch (4th, 5th Gen), iPad Pro (3rd Gen) Kit

Brenthaven's Protect+ case for iPad Air (4th, 5th gen) and iPad Pro 10.9-inch (3rd Gen) offers maximum iPad device protection. With Crumple Zone™ Corner technology and ruggedness built to withstand drops up to six (6) feet, you can be assured that your device can handle any bumps it may encounter. The optional screen protector, infinitely adjustable kickstand, and its ability to be combined with our patented Cable-Free Adapter, allowing integration with Brenthaven's Power5 Charging Station, make this case one of a kind.

The small footprint and sleek design mean managing your iPad fleet is streamlined like never before. With five (5) bays, allowing iPad devices to charge simultaneously, you can do away with messy cables for good. This bundle of five (5) cases, five (5) adapters, and the Power5 Charging Station allows you to upgrade to the latest cable-free charging technology at the best price point.

Features
